

CCSM COVID PROTOCOLS & PROCEDURES

Everyone is required to wear a mask when inside the church building or Ackerman Hall.

We are practicing social distancing during worship. Please sit only in pews with a sign attached. Families and couples can sit together.

Masks and social distancing are also safety protocols during Christian Formation. The children's temperatures have been and will be taken before entering the classroom.

At the church entrance, you will find a prominent station with:

- *Hand sanitizer and masks*
- *A contact sheet for your name, phone and email, and*
- *A sign that reads: If you have a fever or symptoms of a cold or flu, please return home and participate in worship via zoom.*

We will keep windows and doors open and fans on to increase ventilation in the church and hall.

During Communion, please walk up the center aisle and, when returning to your seat, down the side aisles.

Let's keep each other safe and be respectful of the concerns of others.
